

# CPR, FIRST AID & AED ONSITE TRAINING

*PRISM partners with the industry's best to provide services that are second to none.*

PRISM has partnered with the Health & Safety Institute (HSI) to provide members access to an entire training network of qualified instructors who bring engaging and cost-effective classes to you and your employees.

## Benefits Include

- Single point of contact, centralizing your scheduling and total program management
- Dynamic and engaging first aid, CPR, and AED training that conforms with current AHA and ARC guidelines
- Quality, consistency, and accountability, combined with flexibility and responsiveness of local instructors

To get started, please contact:  
Tim Cross, Channel Partner Specialist

### Consistency

Regardless of location, you can trust that your employees receive a consistent training message.

### Experience

Instructors are highly experienced, qualified, verified, and required to adhere to effective quality assurance standards.

### Discounted Pricing

Prices have been negotiated with your public entity's needs in mind.

## Quick Start Steps

1. Visit: <https://goto.hsi.com/prism> to complete the information request and a representative from HSI will contact you.
2. Set up an "Open P.O." agreement regarding billing (can include a not-to-exceed amount).
3. You are now able to schedule classes. There is a maximum of 12 students per class and the course is 6 hours long. You will need to provide a credit card to secure a course date (your account will not be charged until the course is completed).
4. Members must provide the training facility with the following:
  - space large enough to accommodate class size
  - adequate seating, light, temperature, and floor space for skill practice sessions
  - an operational DVD player and a color television or monitor
5. HSI will provide the training materials and equipment.
