New Name, Same Commitment

Innovative Solutions
Economies of Scale allow PRISM to find creative, stable, and innovative solutions for public agencies’ insurance needs.

Member Driven
16 Committees work on the Strategic Plan for development, governance, oversight, and PRISM’s Future direction.

National Expansion
National Expansion through PRISM’s captive insurance company, the Excess Insurance Organization (EIO) as of 2019.

Public Agencies
95% of California Counties, over 70% of Cities, more than 10% of Educational organizations, Special Districts, Housing and Fire districts, and 27 JPAs are members of PRISM.

Covering the risk spectrum since 1979.

Formed in 1979, PRISM serves over 2000 Public Agencies, providing stable insurance offerings and risk management services for 40 years.
