Protect Your School from Risks Posed by Contracted Services & Events

VIRTUAL Workshop Description: Do you really understand the hold harmless and insurance requirements in your agency's contracts? And what about those insurance documents you receive from the contractor's agent? Will they protect you if the contractor causes damages *your agency* may have to pay? Are they worth the hassle?

This workshop will address the following ***contractual risk transfer topics***:

- ***What to ask for:*** Receive good examples of "Hold Harmless" agreements, learn what they mean, and understand their limitations. Recommended insurance requirements for most types of contracts will be provided and discussed.
- ***Did you get what you requested:*** Learn how to review the documents you receive to tell if they provide the coverage you requested, including Certificates of Insurance and the endorsements that are appropriate and binding.

Who Should Attend: Contract Managers, Risk Managers, Legal Counsel, Purchasing Agents and ***anyone who wants to understand risk transfer and insurance requirements in contracts to protect their agency from loss.***
