Presents

Excavations for Public Entities

January 12th & 13th
9:00 a.m. - 10:30 a.m.
FREE to PRISM Members
Class presented via Zoom
Session will NOT be recorded

Pre-Course Requirement:
Students download the [“Common Ground Alliance”](#). Be familiar with the Introduction, and Chapters 3, 4, and 5. These will be discussed in class.

End-of-Course Exam: (optional)
The end-of-course exam measures the students’ knowledge of the course learning objectives. Students who pass the exam will receive a certificate of completion.

This 2-part course will cover everything a public agency needs to know before they begin an excavation project.

- Topics covered include:
- Public agency specific regulations
 - Excavation hazards and how to mitigate them
 - Roles and responsibilities of those overseeing excavation work

Instructor:
Juan Cajandig
Sr. Risk Control Specialist
CSP, CFPS, MAS, ARM
