**General Business**

The Committee approved the 2025/26 reinsurance and excess renewal.  
The Committee approved allocation adjustments for members impacted by the late upload of loss data into the allocation. The Committee approved the use of program surplus funds to offset member premium adjustments so no premiums exceeded V2 estimates with the exception of Riverside County whose increase in premium was due to an increase in exposure data and not a direct result of the loss data.

**Future Meetings**

The next scheduled meeting will be at the call of the Chair.
