Accolade Updates

The Committee was informed that Transcarent expects to finalize the acquisition of Accolade in the second quarter of 2025, with little impact to the Accolade service model.

Alliant informed the Committee that due to claim system limitations, Accolade was unable to comply with the expiration of the telehealth safe harbor for High Deductible Health Plans. This impacted the PPO/EPO cost share to employees. Alliant stated that Blue Shield has a coding solution, and affected members will be notified, offered assistance, and refunded out-of-pocket (OOP) expenses.

Chronic Condition/Weight Management RFP Results

Staff and Alliant presented the results of the Chronic Condition/Weight Management RFP, and the Committee approved Digbi as the new vendor, effective January 1, 2026.
