Third Party Administrator (TPA) Results and Recommendation

Alliant presented the results of the RFP for Third Party Administrators (TPA), including an overview of marketplace trends, a review of the RFP scoring, and next steps should the Committee decide to move forward with the recommendation.

The Committee approved the addition of 3 TPA vendors to the PRISMHealth Program effective January 1, 2023:

- UMR - PRISMHealth Third Party Administrator/Claims payer, representing the United Healthcare provider network;
- Accolade - Representing healthcare navigation options; and
- Bind - Representing dynamic copay plan options.

The Committee agreed that the addition of these vendors will keep the Program competitive in the marketplace and encourage growth, while also giving current members new and exciting options in their plan design.
