**PRISMHealth Program Transition Update**

Staff reported that the PRISMHealth Program officially launched as an independent, self-funded pool on October 1, completing a smooth and successful transition. Staff also reviewed areas of focus, as well as next steps that include focusing on the establishment of a new revenue and expense structure for PRISM financial statements and program performance reporting.

**2025 Open Enrollment Update**

Alliant updated the Committee on the 2025 PRISMHealth Program Open Enrollment season. Alliant touched on member implementations, BenAdmin transitions, and expansion of Navigator PPO services. Digbi Health as well as Navitus implementation and challenges were highlighted.

**PRISMHealth Memorandum of Understanding (MOU) Amendments**

Staff presented a draft MOU which included amendments to update and modernize it. Staff reviewed the amendments, and the Committee provided input. The Committee authorized staff to distribute the amended MOU to all PRISMHealth Program member agencies for a 60-day review and comment period. In addition, the Committee delegated authority to the PRISMHealth Committee Chair to determine whether any comments received warrant further Committee consideration; If no material changes are required, the Committee authorized the Chair to approve the amendments and directed staff to obtain member signatures.
