Amendment to Property Program Renewal Timeline Policy Statement

Staff reviewed with the Committee proposed amendments to the Property Program Renewal Timeline Policy Statement that shift key deadlines to support an accelerated December 31, 2026 binding date. Staff also recommended waiving the schedule of values penalty provision for the 2027/28 renewal due to the shortened update timeframe.

The Committee approved the amendments and waived the schedule of values penalty provision for the 2027/28 renewal, with the condition that staff bring the policy back for review in the spring of 2027 so that the Committee can review the impacts of the amended timeline on the membership and the renewal.
