One (1) Vacant Position

Insurance Programs

- The Committee received an update on the analysis being done for the Actuarial & Allocation Methodology project. Staff noted they will be bringing potential actionable items to the Committee within the next couple of months.

EWC Program

- The Committee approved the Animal Resource Center of the Inland Empire for participation in the EWC Program, with a \$125k SIR, effective July 1, 2025.

GL1 Program

- The Committee approved an option that would allow for a buy down of the GL1 Pool layer, subject to several parameters, and authorized transferring any corridor risk that is created to PRISM ARC.
- The Committee approved a fixed route transit buyback for GSRMA for one of its additional named covered parties – Yosemite Area Regional Transportation System, effective July 1, 2025, subject to carrier approval.
- The Committee approved various SIR modification and Individual Member Corridor Deductible (IMCD) requests, effective July 1, 2025.

Future Meetings

The next regularly scheduled meeting will be **Thursday, August 14, 2025**, with the **time TBD**, for the **joint meeting with the CRC**, at the **PRISM office in Folsom**.
