

Active Violence Immediate Response Training (AVIRT) ◇ - Teach employees proactive awareness, how to react and protect themselves and others in a violent situation, and how to respond to severe injuries that are often a result of these incidents.

Health and Safety Institute (HSI)

Background Check Services ◇ - Bundled value-added packages designed to meet typical public employer background inquiry needs. If you require a custom background check solution, a variety of a la carte services are also available.

Plexus Global

Certificate of Insurance Management ◇ - Automated services to collect, review, and track certificates of insurance, helping members verify compliance with contract requirements and manage third party risk.

Evident

Corrections Checkpoint Service ◇ - Allows users to electronically log check-in points with timestamps, providing documented proof of completed routes. It can also be used for safety inspections and patrols in correctional and non-correctional environments, such as door checks, fire safety inspections, and perimeter patrols.

TimeKeeping Systems

CPR Training ◇ - High quality CPR, First Aid, and AED training, coordinated through a single point of contact for your convenience.

Health and Safety Institute (HSI)

DMV Employer Pull Notice (EPN) ● - PRISM offers EPN services that allow members to monitor driving records, expiring licenses and other relevant documents.

Plexus Global

Drug & Alcohol Testing Services ◇ - Provides access to in-network pricing for drug and alcohol tests, random driver selection, medical review officer (MRO) coordination, FMCSA Clearinghouse queries, and program management.

Plexus Global

Early Intervention System (EIS) ◇ - The only evidence-based EIS solution for police force management and early intervention, reducing officer injuries, and liability claims.

Benchmark Analytics

Employee Performance Evaluation Software ◇ - Designed specifically for first responders, this service integrates with the Vector Solutions training platform. The software includes the ability to test and track skill competencies, record videos of skill demonstrations, and assess performance.

Vector Solutions

Equipment & Apparatus Inspection Software ◇ - This mobile application simplifies routine maintenance inspections of equipment and apparatus checks by creating custom checklists based on your agency's criteria, or import editable forms from the shared library.

Vector Solutions

First Responder Peer Support Services ◇ - Provides access to experienced, culturally competent clinicians who support the development and enhancement of peer support programs, team training, employee education, and post incident briefings.

The Counseling Team International (TCTI)

Safety Data Sheet (SDS) Management ◇ - Efficiently customize and automate SDS libraries across your entire organization. Users have access to a comprehensive database of SDS documents to assist in library creation.

Health and Safety Institute (HSI)

Sidewalk Assessment & Maintenance Services ◇ - Help reduce trip hazards by repairing uneven sidewalks, concrete paths, footpaths, and any other type of damaged walkways.

Precision Concrete Cutting

Substance Abuse Professional (SAP) Services ◇ - DOT-qualified and experienced, Dr. Harelson provides both initial and follow-up SAP evaluations upon receipt of a positive drug or alcohol test.

Dr. Harelson

Visitor Management System ◇ - Designed for PRISM members of all sizes, Sign In App provides a modern visitor management solution that improves security, enhances visitor experience, and streamlines onsite access.

Sign In Solutions

Workforce Management Software ◇ - Designed for our fire, law enforcement, Emergency Medical Services (EMS) members, this software lets administrators coordinate schedules and oversee employee hours.

Staff Resources

The below is a partial list of the custom services PRISM offers our members:

[Direct Consultation](#) - Our experienced team of consultants is familiar with the regulatory requirements and can assist with cost efficient solutions for agencies' risks, including specialist referrals. Risk Control staff can assist with policy/procedure assistance, loss data review/analysis, and offers thoughtful review and perspective on any risk management matter.

[Risk Control Open Forum](#) - A roundtable environment for all PRISM members. Join us for an open discussion where members share experiences, exchange ideas, and explore solutions to emerging risks.

[Risk Management Subsidy](#) - Voluntary program to offset the direct costs members incur from securing external loss prevention or risk management services such as invoices from any of the PRISM service providers. Funds may not be used for payment of premiums.

Training Resources

[Learning Management System \(LMS\)](#) - PRISM has partnered with Vector Solutions (formerly TargetSolutions) to deliver an [online learning management system \(LMS\)](#) and provide access to an extensive catalog of web-based training sessions for risk management, as well as everyday general business needs. This innovative service gives members 24/7 access to quality, cost-effective courses in a wide range of risk management topics, including: back injury prevention, employment practices for supervisors, fire extinguisher safety, driving safety, and sexual harassment awareness.

[PRISMtv](#) - Member-exclusive, 24/7 access to webcasts on-demand.

[Risk Control Events](#) - Seminars delivered across the state on various risk management topics, which are open to all PRISM members.

[Risk Control Services for Law Enforcement Menu](#) - A consolidated menu containing information, resources and services focused on the specific needs of PRISM's law enforcement agencies.

Communication Resources

Valuable information to aid in making important risk control and risk management decisions for your organization:

- [Blog](#)
- [Coming Soon!](#)
- [ELink](#)
- [Education Connection](#)
- [News](#)
- [Message Board](#) (must be logged in to PRISM website to access)

PRISMtv - Channels

[PRISMtv](#) -

Member-exclusive 24/7 access to on-demand webcasts.

[EPL and Liability](#) - Training sessions that cover acts arising from the employment process, which include: reasonable accommodation, discrimination, sexual harassment prevention, and retaliation. ●

[Health and Benefits](#) - Resources and training related to PRISM's Health and Benefits programs. ●

[Health and Safety](#) - These sessions are designed to provide viewers with best practices, regulation guidance, news, and tools involving workplace health, safety and illness prevention topics. ●

[News and Administration](#) - Specific webcasts focused on PRISM program topics such as renewals and coverages, as well as introductions to our various services. ●

[Podcasts](#) - Did you miss a live [PRISM Perspectives Podcast](#) session? Check out the recorded session on this channel. ●

[Risk Management](#) - Common public agency risk management issues are addressed in these webcasts, including a series on crisis incident management, cyber security and insurance requirements in contracts. ●

[Schools](#) - Information and training programs that are most relevant to education members, including webcasts on preventing child sexual abuse, school liability concerns, and school security. ●

[Workers' Compensation](#) - Programs designed to provide assistance for those managing workers' compensation, including new case law and supervisor responsibilities. ●

Guidance & Resource Library

[Cyber Security Resources](#) - Resources for public agency cyber security, including best practices. ●

[Drug and Alcohol Clearinghouse Guide](#) - This guide was developed to assist PRISM members with the Drug and Alcohol Clearinghouse and to inform members of the reporting and query requirements. ●

[Employment Practices Manuals](#)* - Developed specifically for PRISM members by the Eyres Law Group, these manuals focus on California public agency employment matters by providing legal and policy guidelines, and customizable forms and checklists. ●

[Essential Job Duties](#)* - Created to assist with return-to-work (RTW) programs, this classification specific document with over 40 specific examples will help doctors and claims administrators determine relevant work capacities and if injured employees are able to return to work. ●

Guidance & Resource Library

[Job Safety Analyses](#)* - Management and supervisors can use the findings of a job safety analysis to identify and prevent hazards in their workplaces. Access over 40 public agency classification job safety analyses in Excel format. ●

[Occupational Safety and Health Guide](#)* This guide was created to help public agency staff better understand Occupational Safety and Health (OSH) and includes eight (8) core OSH elements reviewed in detail. Provides supportive examples on where focused action can make the most impact, helping to reduce risk and prevent employee injury. ●

[Risk Simplified](#) - A series of informative documents developed by PRISM's Risk Control Department to assist with reducing losses and understanding regulatory requirements. Provides best practices and guidance on topics including: playground safety, attractive nuisances, Cal/OSHA compliance, and more. ●

[Road Maintenance](#) - Tools and resources for [Road Design and Maintenance Best Practices](#) and [Geographic Information Systems \(GIS\)](#). ●

[Safety Talks: A Tailgate/Toolbox Resource](#)* - Over 300 topics to lead and plan your next safety meeting. Download the entire resource and share with those in your agency responsible for leading safety meetings. ●

[School Administrator's Guide to Preventing Sexual Abuse & Misconduct](#)* Designed to assist PRISM school members with creating policies and procedures to ensure student safety against would-be sexual predators, covering topics such as: Hiring Best Practices, Staff/Student Boundary Policies, and How to Investigate a Title IX Complaint. ●

[School Liability Handbook: Student Activities & Employment Issues](#)*-This handbook was created in conjunction with Lozano Smith, a law firm specializing in school liability legal services. Consists of 5 modules: 1. School Activities and the Law, 2. Protecting and Supervising Students, 3. Additional Risk Management Concerns, 4. Employment Issues for School Districts, and 5. Form and Templates, all designed to help our school members address liability concerns. ●

[School Safety for the Industrial Arts](#)* - This guide was created to assist public agencies in keeping students, faculty, support staff, and guests in their industrial arts classrooms safe. It covers where hazards are typically found, potential hazards, and how best to protect people from these hazards. ●

[Workplace Violence Prevention \(WPV\)](#)* - Describes WPV methods further, including establishing leadership commitment, how to perform an assessment of a current violence prevention program, ways to strengthen program elements, communicating the program to all affected employees, and including continuous improvement of the program to help ensure worker protection. ●
