

BEAZLEY CYBER SECURITY GRANT

Are you a member of the Cyber Liability Program? Your agency is eligible for a grant equal to 5 service credits with Beazley Security. Grants are available to direct members of the program on a first come, first serve basis and must be completed by the end of the policy year.

Benefits Include:

- ✓ 5 service credits of financial assistance
- ✓ Protect sensitive data and systems from cyberattacks
- ✓ Enhance cybersecurity resiliency efforts

Follow these steps to request a grant:

- 1 Reach out to Jen Hockenstein jen.hockenstein@beazley.security to discuss services, request a grant, and develop a statement of work.
- 2 Once the statement of work is executed, Beazley Security will coordinate with PRISM for approval.
- 3 Continue working directly with Beazley Security to complete the project.
