PRISM Analytics

Launched!

Members now have online access to loss experience, performance indicators, benchmarking capabilities, and PRISM membership Information.

The PRISM Analytics Dashboard makes loss experience data and membership information easily accessible and allows members to:

- Perform self-service analytics
- Gain visibility into their loss history
- Utilize key performance indicators, graphs, and charts that provide insight into claim activity, including:

  - benchmarking against peer groups and PRISM programs
  - embedded analytics
  - interactive maps
  - membership history
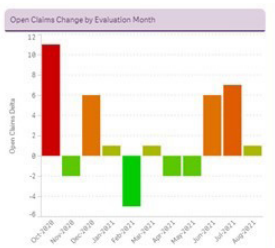

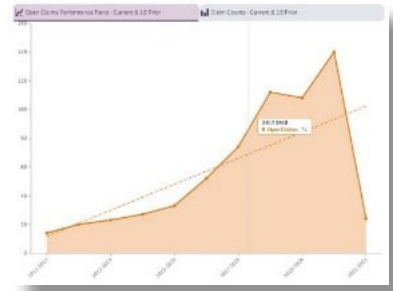

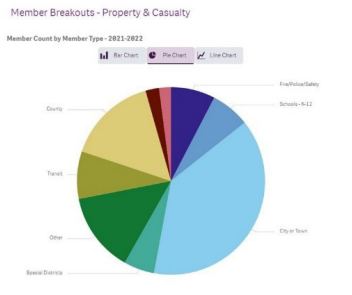

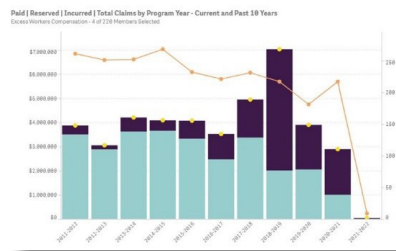

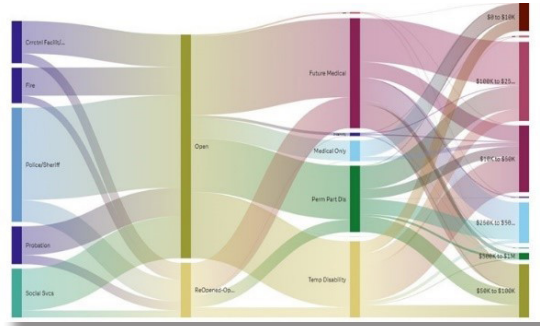

Get Started : If your organization provides PRISM with monthly loss data, sign up by visiting:

https://dna.prismrisk.gov/prismportal/registration

You may also contact any of the below in PRISM's D&A Department for assistance:
