DENTAL PRISMHEALTH GENERAL LIABILITY MEDICAL MALPRACTICE OWNER CONTROLLED INSURANCE PROPERTY WORKERS' COMPENSATION

<u>Claims</u>

GL - General Liability Members only; WC - Workers' Compensation Members only

<u>Catastrophic Claims Management</u> (WC) - When a catastrophic claim occurs, services are available to allow members access to professionals whose expertise is managing the claim.

<u>Claims Audits</u> - Contracted independent auditors review claims in accordance to PRISM's Claims Standards, helping increase the handling performance for Medical Malpractice, General Liability, and Workers' Compensation members. ●

<u>Claims Index Reporting</u> - Members of the General Liability and Workers' Compensation programs have access to PRISM's contracted rates to cover all index reporting and inquiries. ●

Injury Reporting and Triage Services (WC) - Round the clock access to a first call/first reporting system that provides medical-needs triage at the time of injury, and assistance with completing first report documents. \bigcirc PWC \lozenge EWC

<u>Investigative Services</u> (WC) - Full-service investigation services include AOE/COE investigations, surveillance, field and background investigations, and SIU/fraud services. \Diamond

<u>Managed Care Consulting</u> (WC) - PRISM members receive preferential rates to optimize managed care programs through restructuring existing programs and, if needed or required, a competitive bid or RFP process. ◊

<u>Medical Provider Network (MPN)</u> (WC) - PRISM's proprietary MPN provides employer control over the injured worker's medical care throughout the life of the claim. ○ PWC ♦ EWC

<u>Medical Transportation & Language Services</u> (WC) - Fully credentialed drivers and interpreters, proprietary referral management software, and a triple confirmation guarantee. ◊

Medicare Reporting - (WC & GL1:Deductible Buy-Down members only) Receive services for Medicare Reporting and Medicare Setasides to help aid against the potential significant penalties assessed for failure to comply with the Medicare Secondary Payer Act. ⟨⟩

Rehabilitation Care (WC) - Sub-acute & post-acute rehabilitation services for people of all ages with medically complex injuries and illnesses. ◊

Return-to-Work Program (WC) - Pre-identified temporary work assignments help employers return employees to work, increasing employee satisfaction and decreasing claim costs. ⊙ PWC ◊ EWC

<u>Structured Settlements</u> - PRISM works with various brokers specializing in resolving complicated Workers' Compensation and General Liability claims via annuities by providing expert assistance with structured settlements.

<u>Subrogation Recovery (GL)</u> - Recover claims dollars from losses caused by the negligent act of a third-party. ⟨⟩

Third Party Administrator (TPA) RFP Assistance - PRISM staff in both the Workers' Compensation and Liability Departments are available to help with drafting and reviewing a Request for Proposal, and interviewing. ●
