Quick Start Steps

1. Determine if your agency already has an EPN Agent and/or a DMV requester code (information for your new account must match existing records with the DMV).
2. If you wish to enroll all employees, DMV Form INF 1101 Authorization for Release of Driver Record Information must be completed by each non-mandated driver.
3. Visit <https://www.embarksafety.com/plexus/> using the password: "prism" to enter. Here you will find implementation instructions directing you to complete the Terms of Service and INF 2110 - Agent Authorization Form.
4. If you have a current EPN Agent, you will need to formally terminate the service. This letter should be on company letterhead, dated, and signed. The current agent must acknowledge receipt of this letter with the DMV before they will assign your agency to a new agent.
5. Plexus will set up user accounts, ensure drivers have been added correctly, and provide system training for the Embark Safety Connect Platform.
