PRISMtv - Channels

Evaluators - Information and training programs that are most relevant to education members, including webcasts on preventing child sexual abuse, school liability concerns, and school security.

EPL & Liability - Training sessions that cover acts arising from the employment process, which include: reasonable accommodation, discrimination, sexual harassment prevention, and retaliation.

Health & Benefits - Resources and training related to PRISM’s Health and Benefits programs.

News & Administration - Specific webcasts focused on PRISM program related topics, such as renewals and coverages, as well as introductions to our various services.

Risk Control - Training sessions designed to provide viewers with best practices, regulation guidance, news, and tools involving workplace safety, health and safety prevention topics.

Risk Management - Common public agency risk management issues are addressed in these webcasts, including a series on crisis incident management, cyber security and insurance requirements in contracts.

Workers’ Compensation - Programs designed to provide assistance for those managing workers’ compensation, including new case law and supervisor responsibilities.

Toolbox Resources

Best Practices Library - Provides policy models, risk management programs, and examples designed for California public agencies. PRISM staff and members have contributed to these examples and procedures.

Drug and Alcohol Clearinghouse Guide - This guide was developed to assist PRISM members with the Drug and Alcohol Clearinghouse and to inform members of the reporting and query requirements once the Clearinghouse is in effect.

Employment Practices Manuals* - Developed specifically for PRISM members by the Eyres Law Group, these manuals focus on California public agency employment matters by providing legal and policy guidelines, and customizable forms and checklists.

Essential Job Duties* - Created in order to assist PRISM members with return-to-work programs, this classification specific document will help doctors and claims administrators determine relevant work capacities and if injured employees are able to return to work. With over 40 classifications and specific examples, your agency can use/tailor as part of your Return-to-Work Program.

PRISM has partnered with Vector Solutions to deliver an online learning management system (LMS) and safety/risk management platform through its TargetSolutions brand. This innovative service gives members “anytime, anywhere” access to quality, cost-effective courses in a wide range of risk management topics, including: back injury prevention, employment practices for supervisors, fire extinguisher safety, driving safety, sexual harassment awareness, and the Microsoft Office Suite of applications, just to name a few. A recent addition in TargetSolutions is their Special Services include:

• Policy/procedure Assistance
• Loss Data Review/Analysis
• Participation in Safety & Wellness Events

Toolbox Resources (continued)

Information Sheets - Valuable web-based resources to assist members with their risk management goals. PRISM Risk Control staff has done the research and put together the best resources on various health and safety related topics for your organization.

Job Safety Analyses* - Management and supervisors can use the findings of a job safety analysis to identify and prevent hazards in their workplaces. In this Toolbox, you will find completed job safety analyses for over 40 public agency classifications in Excel format.

Road Maintenance Resources - Tools and resources for road maintenance and design programs.

Risk Assessment Tool* - Members can evaluate their risks through a series of online self-assessment questionnaires, with the ability to compare results to best practices and regulatory requirements. Automatic linking to PRISM resources and custom plans of action assist with continuous improvement efforts.

Risk Simplified - A series of informative documents developed by the PRISM’s Risk Control Department designed to assist our members’ effort to reduce losses and understand regulatory requirements. Risk Simplified provides guidance on a broad array of topics including playground safety, legislative updates, attractive nuisances, Cal/OSHA compliance, and more.

Safety Talks: A Tailgate/Toolbox Resource* - Nearly 300 topics to lead and plan your next safety meeting. Download the entire resource and share with those in your agency responsible for leading safety meetings.

Educational Member Resources

Questions? Please contact
Eric Lucero, PRISM Sr. Risk Control Specialist at elucero@prismrisk.gov

Education Connection - This monthly newsletter contains a broad spectrum of risk control and management topics relevant to educational organizations. To be added to the mailing list, please contact our Member Services at memberservices@prismrisk.gov or 916.850.7300.

School Administrator’s Guide to Preventing Sexual Abuse & Misconduct* Designed to assist PRISM school members with creating policies and procedures to ensure student safety against would-be sexual predators, covering topics such as: Hiring Best Practices, Staff/Student Boundary Policies, and How to Investigate a Title IX Complaint. (NEW)

School Liability Handbook: Student Activities & Employment Issues* This handbook was created in conjunction with Lozano Smith, a law firm that specializes in school liability legal services. The handbook consist of 5 modules: 1. School Activities and the Law, 2. Protecting and Supervising Students, 3. Additional Risk Management Concerns, 4. Employment Issues for School Districts, and 5. Form and Templates, all designed to help our Educational Members address liability concerns.
